Subject: immediately reinstate UFF-SLU status

[EXTERNAL EMAIL]

Dear Dr. Senese,

I'm shocked and dismayed to learn that although UFF at St. Leo University has been in existence for almost forty years, the Board unilaterally erased their contractual guarantees won in the past through a single vote without any notice. It is an outrageous violation of faculty governance that there was no deliberation with the Faculty Union, or Faculty Senate. To have made this momentous decision with no faculty consultation and in the middle of a pandemic makes it clear faculty voices are not important to the administration, or to the Board of Trustees.

I am writing to ask that you immediately recognize UFF-SLU as the collective bargaining agent for full-time faculty and restore all rights granted to them as outlined in the existing Collective Bargaining Agreement.

Sincerely,

Nicole Morse
